Prepare for Griggsy Junior High Opening, Enrollment Increases

The Granite City school board last night created 41 new positions for the 1968-69 school year, including two administrators, 37 certified personnel and two nurses.

Eight other certified employees are to be transferred—six from Coolidge junior high school and two from Central junior high school. The new school will be open with a staff of a principal, assistant principal and 37 teachers, including a librarian, vocal music instructor and instrumental music teacher.

There will be the same faculty of four for the schools: Froehli, Lake, Nameoki and Niedringhaus, and six new special education staff members—two nurses, a social worker, speech therapist, teacher of the physically handicapped and teacher of the educable handicapped. Enrollment gains are anticipated.

Tenure, Probation Decisions

On the recommendation of Supt. Bob J. Davis, the board placed 59 teachers on tenure and extended the probationary period of five teachers for one year to permit more time for one to evaluate their progress.

Four teachers, a maintenance staff and two cafeteria workers were retained as employees in 1968-69 beyond the age of 65.

The board hired as speech therapists for the new school year Miss Patricia R. Riedel, 24, with a master's degree from the University of Illinois, and Miss Mary Patricia Lewis, 19, Bixaroomer, Ill., 1968 bachelor degree from Illinois State University.

Faculty Selections

Teachers hired for 1968-69 were LeRoy Fordyce, Wood River; Eastern Illinois bachelor degree and eight years of teaching; Central science and engineering; and a graduate from King, St. Charles, Mo., 1967 Southwest Missouri bachelor degree and one year of teaching; junior high girls' physical education, 1968; Mrs. K. K. Katz, 2441 State street, University of Illinois master degree and 17 years' experience, junior high science and coaching; and Mrs. Nancy Montgomery, 3227 Maryville road, 1968; S. B. bachelor degree, elementary teaching. Also hired were Mrs. Aileen

Man Slays Wife, Kills Self in High-Speed Crash

1967 GC Tax Rate Fixed At 68.3¢

A 28-year-old Alton man crashed his car into a culvert a few miles north of Mitchell in an apparent suicide this morning, shortly after he had struck and killed his wife, Jeanne Skaggs, 27, and then left a note in the car of a neighboring trailer resident.

State police identified him as David Skaggs, 28, who an hour earlier had slain his wife, Jeanne Skaggs, 27, and then left a note in the car of a neighboring trailer resident.

Skaggs' body was encased in the twisted wreckage and was mangled so badly that there wasn't anything left of it.

Garage mechanics took the car to a garage where torches were used to cut the body out of the twisted wreckage.

The murder of Mrs. Skaggs was discovered by Fairmont City police Lt. Fred Barber after he had been called to the Fairmont Mobile Home Park on the Quad-City area.

Bassett, a resident of the park, who found Skaggs' note in his car, Skaggs also left his billfold containing all identification papers in the rear seat.

Mr. Barber told the Press-Record he found Mrs. Skaggs lying in the hall, just outside her bedroom, in Trailer No. 90 at the Home Park. He said

Increased 2.4¢ Over 1966; Brings Overall Rate to \$4.394 Total

A Granite City corporate tax rate of 68.3 cents per \$100 assessed will be in effect for the 1967 tax year, the office of County Clerk Eulalia Hotz announced yesterday.

The new rate is an increase of 2.4 cents over the 1966 rate of 65.9 cents.

For Granite City it was the only rate extension not included early this week in an announcement of 1967 rates for all other taxing agencies in the Quad-City area.

Extension of the city rate was delayed by questions concerning the city's \$1.9 million bond issue for sewer improvements.

Laclede Steel to Increase Stock, Capital Outlay

Laclede Steel Co., which operates a plant at Madison, will increase the company's common stock from 206,250 shares to 1.5 million shares and will boost capital outlay for improvements to the plant. This year, it was announced Tuesday by Paul B. Akin, president.

Improvement this year will total \$13.7 million and with this allocation, Laclede will continue to make improvements on the plant and improvements to the plant for 1968, Akin said.

The increase in common stock was approved by shareholders during the annual meeting Tuesday. Company officials pointed out that the new stock authorization will be used to finance expansion, which has been planned through earnings and long-term debt.

Akin told the shareholders that the first quarter of the year will show a slight loss because of heavy startup costs in bringing its new continuous-casting equipment into operation. During winter months, the company's earnings are normally low because of a slow demand for construction steel.

A major problem, he said, has been a shortage of building steel, company officials said. New electric furnaces helped reduce cost of producing steel and will help meet the need for more construction steel.

Akin said a new plant to be built on March 13, Laclede purchased the physical assets of the Grossman Company, located in Alton, which turns junked autos into shredded scrap for the company's mills.

Savings Bond Chain Letters Violate Law

Chain letter schemes involving U. S. Savings bonds and stamp still violate federal regulations and subject participants to possible criminal prosecution, as was the criminal yesterday in the case of a new "sweepstakes" of Savings Bond "chain letters" in the area.

Harry Wood, deputy director of the Savings Bond Division, said the scheme, which was new, started in Cedar Rapids, Iowa, or in Monroe, Wis., so that anyone foolish enough to buy bonds for total strangers and mail them to these cities "can be hard-earned cash goodbyes."

He said the first such scheme involving savings stamps, was reported as early as 1941, in the year. Since then, many more have been born. Subsequent revivals of the idea have prompted U. S. Treasury officials to instruct banks and other issuing agents to refuse to cash bonds for anyone other than the owner. In one case, where they know or have reason to believe that the Bonds will be used in any type of "chain letter" scheme.

Ground Broken for County Dog Pound

Ground was broken yesterday morning for construction of a modern county dog pound in Alton, held at 10 a.m. on the site along Route 143.

Members of the Rabies Control and New Buildings committee of the county board of commissioners, Paul Landolt took part in the groundbreaking for the \$38,847 structure.

The pound will be built by Richard Baker of Hamel, Ill., who will have dogs picked up in county areas as well as those from cooperating cities. Cities may take part in the program at a cost of \$100 per 1000 population.

Under the program, dogs will be held seven days and then destroyed by bottled carbon monoxide gas.

Weapons Charge Filed

Coleman Ray Wood, 24, of 2700 North street, and Gary Lee Cralley, 26, of 4097 Kirkpatrick, both of Alton, were charged at 1:15 a.m. Tuesday by Alton police on charges of carrying a concealed weapon in their auto. It was a .22 caliber automatic pistol. They were released on \$25 cash bail.

C. of C. Executive Rotary Speaker

Joseph Hessler, program chairman for the Rotary Club meeting Tuesday at the YMCA, introduced Howard Colquitt, executive secretary of the Tri-Cities Chamber of Commerce who spoke of the efforts of the Chamber in the local area.

Colquitt pointed out that the Chamber, in 28 years history, has been a leader in many of the better programs for the betterment of the Tri-Cities. These projects include the Chain of Rocks Locks and canal, the Tri-City Regional Port Authority, sewer programs, expansion of the park system, winter sports, the new post office, Horseshoe Lake Improvement, industrial growth and United Fund.

The Chamber has four divisions through which 30 subcommittees can on its program of action, to explain the needs and public affairs, to promote better business, development and the organization and improvement division.

Bart Swindell, district director of the U. S. Chamber of Commerce, spoke on the history of the Chamber and its changing program. He said at one time the Chamber was more interested in industrial and commercial development, and today it reaches into the field of human relations, urban renewal, social and economic growth.

Eugene Aasell introduced Harold E. Briggs, assistant county superintendent of schools, as a new member of the chamber.

Lt. Col. David Fox, deputy commander, Granite City Army Depot will be the program chairman for the next week's meeting. He is president of the American Legion and was recently returned from Vietnam where he will speak on the Vietnamese way of life and its political problems.

Answer 2 Fire Calls

Venice firemen were called Tuesday afternoon to two grass fires. An alarm was received at 1:30 p.m. for a grass fire at the city dump near Lee Wright Homes, and again at 1:50 p.m. for a grass fire along the railroad tracks near the Merlebachs highline. There was no damage at either fire.

Miss Kerch to be Honored At U. of I. Award Luncheon

Two University of Illinois College of Physical Education students, will be honored March 30 in St. Louis at the college's third annual Illini Awards Luncheon, held in conjunction with the 83rd national convention of the American Association for Health, Physical Education, and Recreation (AAHPER).

Miss Barbara L. Kerch, supervisor of physical education, for Granite City School District 9, and Chester O. Jackson of Champaign, of a college of physical education for men, emeritus, will be present. Loyalty awards by the U. of I. Alumni Association, upon recommendation of the college alumni association.

Miss Kerch, a third generation Urbana, her mother and father were graduates in 1908 and her grandfather, Millard Porterfield, was the 2nd student to enroll in the university. Her niece, Judy, also of Granite City, is a member of the recreation in the U. of I. College of Physical Education.

Jackson was head of the department of physical education for men at Urbana from 1958-62. When he retired, he joined the Illinois faculty in 1959. He has edited and written numerous articles, reviews and books and also has held several national and state offices in his profession. His son and two daughters also are Urbana.

Jim Jackson, executive director, U. of I. Alumni Association, will make the awards presentation at the 12:15 p.m. luncheon in the Tudor Room of the Sheraton-Jefferson Hotel, St. Louis.

Professor Thomas F. Krizan, college alumni coordinator, explained that a loyalty award is for an alumnus who was graduated from the University more than 15 years ago and has continued an active interest and loyalty to his alma mater.

Following graduation from the University of Illinois in 1934 with a B.S. degree in physical education, Miss Kerch joined the Urbana City school system as a classroom and physical education teacher.

During her tenure she has taught at the McKinley, Niederrhauers and Emerson elementary schools. She joined the

To be Honored

high school staff in 1940 and served as head of girls' and physical education in the high school from 1944-52 when she was appointed to her present position.

Miss Kerch received a M.S. degree in physical education in 1952 from the University of Illinois and has done additional graduate study at Illinois, Washington University (St. Louis), Stanford University, and the Universities of New Hampshire, Washington and Oregon.

She served as an instructor in the U. of I. extension class in elementary school physical education at Edwardsville. She also has been a visiting teacher at Off-Campus Student Teaching Program and is a co-operating teacher for the student teaching program at School of Education, Illinois University, Edwardsville.

Miss Kerch is a member of the Illinois and National Education Associations, Illinois and America's Association for Health, Physical Education and Recreation, and the Women's Physical Education Club of St. Louis and Vicinity.

She has received several state and national offices, including the IAHPER, the Illinois and other parts of Madison county was received its Honor Fellow Award. Her numerous speaking engagements are countless as well as are her articles related to girls' sports and secondary school leadership training programs.

Special Registration for Voters Starts Tomorrow

First of a series of special registration periods to register new voters and update current records will be held tomorrow and Saturday in Granite City, Miss Eulalia Hotz, Madison county clerk, announced today.

Miss Hotz said a complete list of registration periods to be held in the Quad-Cities and other parts of Madison county is being compiled and will be announced soon.

Registration tomorrow may be made with a deputy registrar at the American National

bank from 4 to 7 p.m., while registration will be conducted Saturday at the A&P store from 1 to 8 p.m.

The registration periods are conducted by deputy registrars throughout the county as a convenience to voters who would otherwise have to go to the county clerk's office at Edwardsville to complete their records.

Persons who have moved or who have changed their names by marriage or for other reasons are required to change their registrations.

Registration tomorrow may be made with a deputy registrar at the American National

MORE ABOUT

A. O. Smith

that the performance of the Granite City plant has not been satisfactory in the past and there still is serious question as to its future success.

"Despite these facts the board has determined that a further sincere effort should be

made to achieve satisfactory results.

"On the other hand, as evidence of its concern, the board has instructed management to report periodically on the progress of the plant's operations. Consequently, the Civic Committee has determined that prompt re-evaluation can be undertaken on the basis of economic facts as the development of the plant progresses.

"The general impression of the Civic Committee is that the plant was most encouraging and helpful to the

board in arriving at its decision.

Praises Committee

"If all the parties involved share that committee's enthusiasm and willingness to help, the plant should be able to accomplish its goals.

"The Civic Committee visited Milwaukee to express concern over the closing of the plant and to discuss the economic impact such closing would have on the area.

"The 200,000 square-foot plant employs 1,500 persons. Prior to the strike, Corvette frames also were produced at the Granite City plant.

The statement concluded by noting that in order to assure delivery of Corvette frames to its customer, that section of Granite City production "has been moved permanently to Milwaukee."

Company officials said the board was notified of the set-

Plans have been initiated for the club to sponsor an essay contest for senior high students. The winner of the contest will be given a \$500.00 scholarship.

A brief resumé of Republican candidates running for office was given from the state to the county level was given by several members.

A family day with a tour of Grants Farm has been planned for club members and their families for June 29 at 10 a.m.

The next meeting will be April 24 at the home of Mrs. Jane Reese, 2900 Buxton avenue.

Attend State WCTU Clinic

Mrs. Glenn Cundiff, Mrs. Owen Willcutt sr. and Mrs. Bethel J. Davis county vice-president, and Mrs. Wanda's Christian Temperance Union returned home Wednesday evening after attending the 9th annual Illinois WCTU state clinic in Springfield.

The clinic was held on Tuesday and Wednesday with the theme "With Confidence Go Forward." Classes for presidents and vice-presidents of locals were conducted by Mrs. V. L. Clegg, recording and transactional secretaries by Mrs. Gladys Denton, and treasurers and all non-officers by Mrs. Mildred Clark, the state treasurer, and Miss Juanita White, state president.

A banquet was held on Tuesday evening at the Wesley Methodist Church for approximately 100 registered members.

Mrs. Veach is Class Hostess

Mrs. Lucile Veach, 2037 Rhodes street, was hostess to the Queen Esther Class of the First Baptist Church of Madison, in her home, Monday evening.

Mrs. Velma Rideout, past president, was in charge of the meeting, which opened with the group singing the class hymn. Devotions were conducted by Mrs. Veach, taken from Psalms 119. Each member gave an individual prayer for the revival to be held at the church on Saturday.

Others were small Easter hats placed on the refreshment table. Mrs. Verna Willman dismissed the class with prayer. Others present were Mrs. Gertrude McManaway, Misses Nora Rogers, Anna Lassell and Thelma Stockton.

Kroger Store Presents Child Color Contest

A contest for area youngsters, sponsored by the Kroger store at Nameek Village shopping center, opened today for boys and girls aged 5 to 12 years, Joe Petrotti, manager of the store, announced.

The contest includes three age groups—5 to 7, 8 to 10, and 11 to 12 years of age. Children may pick up coloring blotters at the store until April 6. After that, they will be colored there, and it is to be returned to the store where they will be displayed and judged.

Every entrant will receive a special souvenir. Prizes will be awarded to first, second and third place in each group. Winners will be announced April 13.

Illinois Terminal

MORE ABOUT

Results so far from the Support Our Servicemen campaign have been slim, Red Cross Chairman Jack Absalom said today in urging \$5 contributions to the Quad-City. They can be sent to the Tri-City chapter, American Red Cross, 1411 Twenty-first street, Granite City.

Many gifts have been received but the total is far less than that needed to provide adequate services to Quad-City and other American servicemen in Vietnam, Absalom said. Largest single contribution so far is \$100.

Part of the reason is that some organizations are not sending letters asking for the drive, Absalom noted. He urged the earliest possible attention by individuals, businesses and groups in order that the emergency was gained through the agency was gained through a rear door.

Link With Venice Bridge

Illinois Terminal pays \$25,000 yearly to the city of Venice, owner of the McKinley Bridge, for use of tracks on the Mississippi River.

ITR hold bridges B bonds, the company is having difficulty meeting bond interest payments due to loss of vehicular traffic, stemming from the opening of toll-free bridges in the area.

Illinois Terminal was purchased by a group of ten railroads a short time before Illinois Terminal sold the bridge to Venice for \$22 million in 1958.

Cash outlay by the parent company to obtain the ITR was believed to be small, with the stockholders reimbursed for ITR through issuance of bonds. This debt is reported to be part of the financial problem currently facing Illinois Terminal.

Railroads owning ITR are Norfolk & Western (Nickel Plate and Wabash), Gulf, Mobile & Ohio, St. Louis-San

cisco, Illinois Central, Chicago & North Western, Chicago, Burlington & Quincy and Chicago & Rock Island.

Notices Issued to Staff

Notices terminating the sales position are to be effective at 4:55 p.m. on April 8. They were received this week.

Formal action on the plan has been taken by ITR directors, but their meeting is expected to take place in the near future, in the late morning or early afternoon, following a meeting of the Terminal Railroad Association board, of which some of them are members.

Illinois Terminal operates the Illinois Junction switch yard south of Madison, adjacent to Highway 203. It is tracked to the north, south, east and west through the Quad-Cities and Edwardsville to Springfield, Peoria and a point east of Urbana.

Amvets to Attend Divisional Meeting

Several members of Amvets Post 51 will attend an Amvets divisional meeting at Mt. Vernon April 7, it was announced at last night's meeting.

Russell Robinson, post commander, announced that Anthony Casper, Washington, D.C., national Amvets commander, and his staff will visit the Granite City post on April 15.

Plans were discussed for a delegation to meet Casper at Lorraine Field and for a reception at the post home, 5100 Lakeview drive.

An Easter egg hunt will be staged at the post home on April 14. Members of the post and Sacks will donate the eggs. The post has resumed its regular Friday night fish fry with public serving from 6 to 9 p.m.

The Amvets will organize for a spring cleanup of the grounds on Saturday.

Lusk Named to All-Southern III Team

Madison Trojans' Gary Lusk has been named to the all-southern Illinois basketball

team by the Metropolis news. Gary Simpson of the Granite City high school Warriors was given special mention.

Lusk received special mention last year. He has been

named to several all-state teams and ranked second in regional scoring only to Collinsville's Tom Parker. Lusk had an average of 30.5 points for the 1967-68 season.

Not only an outstanding

scorer, he led the Trojans in assists. He set a new three-year MHS scoring record with 1792 points, breaching the mark set by former Madison star

Don Freeman. Lusk ranks 20th in his class of 158 students. Simpson, a junior, averaged just under 25 points a game this year.

Players Mark Hunt of

Dupo (left), Don Tuttle of Roxana (top right) and

Ricci Stotler of Bethalto (lower right).

Both last season and this season.

A "dream team" potentially strong enough to have beaten state champion Evanston forms the all-Midwestern Conference basketball squad.

Two players are repeaters from last year's all-stars—Madison's Gary Lusk and Bethalto's Ricci Stotler.

Other members of the 1967-68 first team are Don Tuttle of Roxana, Mark Hunt of Dupo and Cahokia's Robert Davis and Mike Darnell. Stotler and Darnell tied for the fifth position.

Lusk and Hunt were unanimous choices. Last year, all five of the first team players were picked unanimously; included were three seniors 1966-67, Craig Martin of Highland, Fred Singleton of Highland, Clayton Landon of Dupo, Jim Carey of Bethalto and Larry Lewis of Triad.

Coaches taking part in this year's voting were John Logan of Madison, Fred Singleton of Highland, Clayton Landon of Dupo, Jim Carey of Bethalto, Merle Norman of Granite City, and Earl Lee of Cahokia.

Logan replaced Earl McClaran this year and Singleton replaced Cliff Tamm.

Voters will be satisfied by giving each player with a first team vote two points and each athlete with a second-team nomination one point. Each coach could vote for any player except his own.

Collins on Second Team

Members of the all-Midwestern second team are Joe Collins of Madison, Charles Rice of Dupo, Vic Tamm of Bethalto, Steve Clark of Triad, Don Herzberg of Highland, Don Gihring of Bethalto, Joe Tedrick of Triad, Larry Reynolds of Roxana and Bob Nickerson of Highland. Nine were named to the third team.

Players receiving honorable mention were Tom Weston of Madison, Keith Williams of Madison, John Walker of Cahokia and Charles Carson of Triad.

Gary Lusk, a Trojan senior, is a 5-11 three-year letterman guard. He was second in the region in points and in assists, scoring average. He totaled 789 points for the season after averaging 27 and totaling 658 a year ago.

52% Field Goal Accuracy

His free throw percentage was 75% from the free throw line and 52% from the field. He led his team in assists. His quick flips toward the basket while jumping were difficult to block.

Gary, like most of us, got his share of "we were good" when he missed, we usually lost. He was a team leader, not a glory seeker.

He was able to break school records, but didn't do so, thinking of other members of the team.

"He is one of the finest players to come from this school since Tom Freeman (Northern University of Illinois star). Lusk finished his career with a total of 1792 points, which is a new school record."

Sparky Chinnery Team

He is a 5-11, 175-pounder, or better in five games during the season. His high was 44 against Triad. He was also fourth on his team in rebounds. He has received all-state and all-region selections.

Lusk's team won the Midwestern Conference championship

moving onto the first team this season.

Hurt had his high game against Highland, getting 39 points. He averaged 20 points four times this season.

Coach Clayton Landon said,

"The team will miss Hurt a

lot. He is a good boy, spirit

when the chips were down. I

don't think I have ever coached

a more determined player."

"Hurt played from the first whistle, just like we were

meant to do with a minute

left to go in the game."

63 Juniors Selected

Davis, a 63 junior center, averaged 16 points a game this year. He had a high game of 30, and an average of 14 rounds a game. His high game was against Granite City, with 27 points.

Coach Lee commented, "Davis was our leading rebounder, and a good defensive player. He was a team leader throughout the season and we are expecting a good year from him again next season. He will be a great asset to us."

Coach Lee, a 63 senior forward, also is a junior letterman for the Comanches. He had an average of 14 points and 10 rebounds a game. His high game was against Granite City, with 27 points.

Coach Lee commented, "Davis was our leading rebounder, and a good defensive player. He was a team leader throughout the season and we are expecting a good year from him again next season. He will be a great asset to us."

He averaged six rebounds and 12 assists per game. He was voted "player of the year" by area high school coaches last year.

Stoter won conference football and basketball all-star recognition in both 1966-67 and 1967-68 seasons.

Hurt, a 6-5 center and forward, averaged 24.6 points this season, finishing with 655 points. He shot 51% from the field and 65% at the free throw line.

He is a two-year letterman,

Elks Bowling Tourney Nearing Halfway Mark

The state Elks bowling tournament here is going into its fourth week and is nearing the halfway mark. An estimated 600 Elks and their wives are expected to be in the Quad-City area to tournament play this weekend.

The seven-weekend tournament will end on April 21.

Charles Rodell, publicity chairman, reported that teams from Mount Carmel, Ill., from Chicago North, four from Mattoon, 17 from Mendoza and one from Granite City will compete in team competition at Borden Saturday.

The local team bowling is the Cots, captained by Jim Louis. It will bowl on Lane Eight at 1 p.m. session.

Bowling Saturday in other cities will be represented from Doltom, Flor, Marion, Effingham and Granite City. The Granite City bowlers are Harry Baldrige and Jim Kenney; Vic Bissell and Carl Schmidt; and Paul Worthen and Gene McGovern. These games will be rolled at Tri Mor starting at p.m.

All the Granite City bowlers will be on the 15th and 16th. At the 4 p.m. minor events session bowlers from Cicero-Berwyn, Urbana, and Blue Island will compete at Tri Mor.

On Sunday competition, seven teams from Litchfield and one from here will compete. The

local team is the Rams and will be headed by Jim Costello.

Starting the noon Sunday session, teams from Effingham, Cicero-Berwyn, Blue Island, Darien, Marion and Flora will roll their draws.

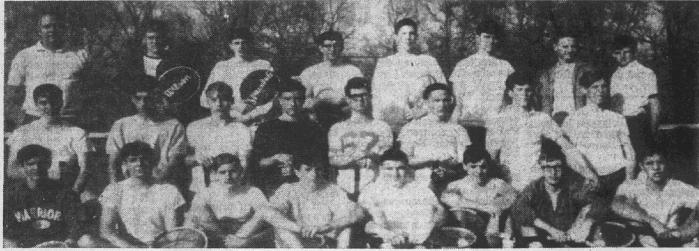

In the other events, Claude Hyles and Don Vaughn will bowl at noon on Lanes 29 and 30 at Tri Mor. Previews will be at 9 a.m. and 1 p.m. For Branding and Floyd Malpocher will bowl on Lanes 29-30 and Raymond Willeard and Paul Hollis on the same lanes.

Others participating will be from Mendoza, Mattoon, Mt. Carmel, Chicago North and Litchfield.

Top bowlers in the tournament to date are Sidney Tresner of Charleston with 715, Charles Stroh of Marion 694, George Henningsen of Peoria 685, and William Tarris of the local lodge fourth with 678.

In doubles Claude Martin and Edward Rutherford of Urbana will be top for the third straight week with 1340. Second are Richard Goosten and Cobie Miller of Jerseyville with 1321 while third are Bob Reiter and Harold Miller of Marion with 1290.

Temple starting goods has slipped into second place with 1305, and Elks No. 2 of Salem lead with 3120. In third place is Waukegan with 1300. Second are Bob's of Mound, 3095, and fifth Heiman Trophy of Springfield, 3068 pins.

Trojans Open Tennis Season With 3-2 Win

The Madison high school tennis team won its initial outing Tuesday afternoon, defeating Wescill high school 3-2 at the Trenton courts.

The teams only played the five sets because of approaching darkness.

In the singles competition, Madison's Jim Purkake beat Grasser 13-11 and Ken Blanton topped Coddell 12-10. Charles Bowser and Jim Dillenbeck lost 2-1.

The doubles match was won by Purkake and Bowser 10-5.

The Trojans will play their next match today at 4 p.m. at Mascoutaw.

to break and flee into the jungle.

MORE ABOUT

Bronze Star

5th Battalion, 60th Infantry of the 9th Infantry Division.

"Moving to an ambush site, Specialist Mitkos detected a much used Viet Cong trail and quickly placed his men on both sides of the pathway. The enemy somehow detected the friendly force and lobbed hand grenade close to their position. SP4 Mitkos immediately directed his men to return fire and the enemy broke contact.

"Specialist Mitkos then led his men to another position and, seeing enemy movement to his left flank and rear, with the help of semi-automatic weapons fired into the middle of the insurgents, causing them

to break and flee into the jungle.

Through Specialist Mitkos' unhesitating actions the Viet Cong force lost at least one man killed and many more wounded, with no casualties to the 5th Battalion.

SP4 Mitkos' personal bravery and devotion to duty are in keeping with the highest traditions of the military service and reflect great credit upon himself, the 9th Infantry Division and the United States Army."

The medal winner enlisted in the Army on June 10, 1964 and arrived in Vietnam with the 1st Battalion, 60th Infantry of his initial overseas tour in 1965. He remained there 12 months and sustained shrapnel wounds in combat against the Viet Cong.

Sgt. Mitkos returned to the U.S. in 1966 and was assigned to Alaska, where he served one year with the Ninth Infantry Division at Fort Wainwright. An expert in guerilla and counter-guerrilla warfare,

he instructed classes in both tactics and worked on the Expert Infantry Board at Fort Wainwright.

It was while serving in Alaska, he volunteered to return to Vietnam for a second tour of duty. The infantryman began his present stint on Oct. 14, 1967.

Since Dec. 1, he has been wounded on three occasions, twice receiving treatment at field hospitals and voluntarily remaining on the front line. His fourth wound, a bullet wound in the left leg sustained when his night patrol was ambushed, occurred in February, necessitating his reassignment to a more secure area.

Still completely stalwart in the signing of the 1968 motor fuel tax and consulting engineer contracts for Granite City, Mo. Chairman Rutledge retained the council Monday night in his message vetoing the resolution adopted last week authorizing Chairman Johnson to sign the MFT contract with an engineering firm.

The council retaliated by overriding the veto with a 12-2 vote.

Alderman Johnson was undecided after Monday night's session on the action suggested by the resolution. It was agreed to confer with a lawyer to get confirmation of an opinion that the resolution is proper granting him the authority to sign the contract.

Text of Veto Message

In his veto message, Mayor Partney stated:

"I find it necessary to make these statements due to a reso-

lution designated as 'special' to the city of Granite City its entitlement and fair share of the motor fuel tax.

The state, the signing of a contract with an engineering firm has no bearing, whatsoever, on the city receiving its fair share of MFT funds.

"This resolution is misleading to the citizens of Granite City and was not prepared by the duly appointed city attorney."

"If it had been prepared by the city attorney, I am sure he would have called to your attention that under Illinois law the city council has the power to contract. It will be seen that the powers of the council are legislative. Individually, an alderman's powers are extremely limited, but, collectively, the council must be legislative in nature, that is, taken in concert in the council meeting, and then the powers are limited to those ex-

ecuted by the mayor and General Assembly, and such exercise of powers can be conflicted with the mayor's powers to veto.

"Therefore, I find it necessary to use the veto powers of the mayor's office to veto this resolution designating a council of the city's power to sign the MFT contract with an engineering firm.

"The mayor then added: 'What's your pleasure, gentlemen?'"

Johnson replied that he had shown the resolution to City Atty. Allen, "and he said it looked proper to him."

Alderman Robertson commented that something had to be done to break the deadlock and overrule Boyd's second motion.

Nonn remarked that the city could override the veto, but it couldn't force the mayor to sign the checks to pay the engineers.

The contract renewals for the 1968 calendar year were approved Jan. 15 by the council for the firm of Research Planning & Engineering Co. of Chicago. Nonn has said he is dissatisfied with the amount of services given by the firm under the consulting engineer contract that is engineering for the next MFT project. Johnson said it was completed several years ago.

He contends the council can designate another engineer to do any work for the city.

Enough Votes

Robertson noted that if the veto were not overridden, the city could not hope to get any MFT projects started, since the state requires an official signature on an engineering contract.

"You've vetoed enough, and our streets and curbs are in deplorable condition," Robertson told the mayor.

"I understand when you were an alderman, you fought the administration," and Moerlein, a former mayor, told council members they had a right to enter a contractual agreement. "I don't think he can stop the improvements

planned," Alderman Moerlein added.

During the discussion, Alderman Rutledge said that last month he believed the mayor was wrong in not signing the contract, but that after talking to the mayor, he decided that Partney's action was correct.

Rutledge declined both elation and after the meeting to elaborate on his comment.

Project Can Be Done

Mayor Partney also remained silent, telling a Press-Record reporter after the meeting that he had inherited the engineering firm from the previous administrator, added that he will continue to refuse to sign the contract, and that he is certain the city has enough money to pay for the project.

"The city can hire another engineer to do any of the necessary work for the project."

Johnson, Robertson and Dallas called to Rutledge to outline their position on the matter.

"Somebody knows something, and we should know what it is. How can you vote correctly if you don't have all the information?" Dallas asked.

There were no replies.

Voting to override the mayor's veto were Alderman Dallas, Mrs. Mary Bartolucci, Whiteman, Boyd, Poulos, Green, Bassisich, Nonn, Parmley, Robertson and Johnson. Opposed to the motion were Rutledge and Fretz. Those absent were Jackson and Dawsen.

The next meeting of the council will be held April 23.

Souci, Sharon Shevick and Carol Hendricks.

Plans were completed for a mother-and-daughter banquet March 21.

Mr. Hendricks invited the club to meet in his home, 2307 Washington avenue, April 23.

NAMEOKI PRESBYTERIAN WOMEN PLAN WORKSHOP

The afternoon circle of Nameoki Presbyterian Women held a monthly meeting Tuesday evening at the club, Mrs. Erma Tuck, as hostess.

Mrs. Bea Pyle, circle chairman, received reports from department chairmen. Missionary names of the day were read by Mrs. Lu Pyle and the Bible study was given by Mrs. Louis Thompson.

The spring session of the Alton Presbyterian is to be held April 3 at 9 a.m. at the Edwardsville United Presbyterian Church.

Those who were reminded of a monthly canning session workshop April 17. Mrs. Mildred Fleemer will serve as hostess.

Other activities include Mesdames Ruth Arbergot, Cora Bent, Sylvia Cross, Jean Lybarger, Irma Taylor and two guests, Juanita Cross and Leona Johnston.

The next meeting of the circle will be held April 23.

EMB CIRCLE MEETS WITH MRS. GIUKA

The Emb circle of the Nameoki Methodist Church met Tuesday evening in the home of Mrs. Ruth Giuka, 3149 Davis avenue.

Mrs. Helene Bischoff presented the program, "What Shall We Do With Jesus?" Mrs. Ruth Hancock, chairman of the circle, presided and a donation was given to the quilt for mending.

The group is striving to make a quilt for every bed at the Methodist Orphanage that is due this year.

A trip to the planetarium is scheduled for April 23. Closing prayer was given by Mrs. Dorothy Luckert. Refreshments were served to Mesdames Mary Jane Fester, Virginia Carroll, Mildred Maney, and Marilyn Dawson.

HONORED AT SHOWER

Mrs. Mary Lacunia was honored with a pink and blue shower Sunday afternoon. Mrs. Jane Grimes gave the shower.

Thirty guests arrived at the First Methodist Church for the shower. Games were played appropriate to the event, and decorations were in keeping with the theme.

The gift table was adorned with a stork and baby carriage. Refreshments were served upon completion of the opening of gifts.

BROWNSIE LIBRARY TOUR
Brownie Troop 200 met at Harris school Monday afternoon with the leader, Mrs. Virginia Landwehrman. Vicki Vasiloff led the group in the pledge of allegiance to the flag, singing of "America" and the Brownie promise. This is the birthday girl of the week.

After collection of "bunny boxes," Mrs. Jean Britt, Mrs. Marilyn Engle, Mrs. Laura Engle and the leader took the girls on a tour of the library, the scouts observing safety measures along the way as they sang Girl Scout songs. Some of the Brownies acted as patrol leaders in home in two weeks.

Plans are being made for the girls to hike to the Madison police and fire stations next Monday.

The group toured the Madison public library during Monday's meeting period, with Mrs. Delores Gasho, Mrs. Louise Lewis and Mrs. Dennis Revelle assisting the girls. Reading material available to the group was discussed.

Guests for the afternoon included Jackie Berrong and Mary Britt. Members present were Gloria Britt, Vicki Reed, Theresa Boyer, Anna Elbe, Tina Ellis, Georgia Engle, Carol Forshue, Jane Forshue, Marina Gott, Beatrice Gott, Mary Lee, Gloria Mulinik, Gaynor Mulinik, Vicki Vasiloff, Barnett, Vicki Merchant, Alicia Narvaez, Josephine O'Bear, Deborah Pruitt, Cindy Robinson, Deborah Thompson, Pamela Thompson, Ellen Voegeli, Kathleen Hill, Diane Berrong, Rev. Coryell and Peggy Sanders.

MRS. PODNAN HONORED

Members of the Birthday club met in the home of Mrs. Ann Podnar to observe her birthday.

Tickets

Games were played and lunch was served, with games resumed in the afternoon by Mrs. Catherine Conrauus. Mrs. Verna Kula, Mrs. Vettie Gnojewski, Mrs. Josephine Orescovich, Mrs. Helen Hinterer and Mrs. Caroline Rachet.

Mrs. Podnar was the day's winner. Mrs. Kula will be the April birthday hostess in her home.

Cast Chosen for Masquers Play June 13-15 at SIU-SW

Masquers, Inc., a local amateur theatrical organization, has announced the cast for the forthcoming production of "A Thousand Clowns," a comedy by Herb Gardner.

Mrs. Roger Davis, Venice, director of the production, has chosen for the lead roles Mike O'Dell, Granite City, as Murray Burns and Mrs. Beverly Scroggins, Granite City, as Sandra Murray.

Supporting O'Dell and Mrs. Scroggins will be Wesley Loper, a junior at Granite City high school; Albert, Charles Norton, as Arnold; and John Melford, Interview Heights as Leo "Chuckles the Chipmunk" Herman.

Chosen for the difficult child role of Nick Burns will be Paul Mattox, a 10-year-old resident of Collinsville, who attends Jefferson school. He is a sixth grade student. He is the son of Mr. and Mrs. Charles Mattox.

In order to provide maximum comfort for its audience, the Masquers have arranged to present "A Thousand Clowns" in the new air-conditioned Com-

munications Building theatre at SIU-SW, which has reserved a shift in dates.

The production is now scheduled for presentation on the evenings of June 13, 14 and 15. Season subscription members will receive information regarding reserved seats in the main theater.

Additional information may be obtained by phoning Collinsville 344-1823.

Grace Baptist Junior Choir to Compete

Every year as of April 1st we must fill out a Personal Property Tax Schedule on every item in our huge store and warehouse inventory, just as you do on your own personal property.

For this reason we've decided to take mark downs on all merchandise in our inventory that is 3 months old or older and sell it out prior to April 1st during our Annual Personal Property Inventory Reduction Sale. We hope to accomplish two things by cutting prices like this. First of all we hope to reduce our inventory and therefore cut our tax bill. Secondly, we hope to make room for all the new spring merchandise that is now beginning to come in.

Listed below is only a partial inventory stock list . . . thousands of other items are on sale but not listed . . . check the lists and then hurry in to see the many items not mentioned . . . quantities are limited. All items subject to prior sale.

County Seeking Place on U.S. Air Commission

Madison county officials want representation on any federal air pollution control commission that may be created and proposed this week a letter to federal authorities to make the request.

Primary reason for the letter is apparent skepticism over consumption of an Illinois-Missouri air control compact. The compact, which has been taken a dim view of an Indiana-Illinois compact, has been considered inadequate by the Senate, according to George A. Armento, state air pollution research associate at Southern Illinois University-Southeastern campus.

Armento, who serves as technical advisor to the county air pollution committee, suggested the letter in the belief that a federal commission probably will be established. Straub and Armento will present their findings to the county board of supervisors. Upon approval it would be forwarded to the U.S. Department of Health, Education and Welfare with copies sent to appropriate state agencies.

Mrs. Ella Yates, 79, Succumbs to Stroke

Mrs. Ella Yates, 79, of 1715 Delmar avenue, died following a stroke at 4:30 a.m. yesterday at St. Elizabeth Hospital. She had been admitted to the hospital just four hours earlier.

A Granite City resident for more than 30 years, Mrs. Yates was born and reared in Missouri. She was a member of the First Baptist Church in Granite City. Her husband, Everett W. Yates, died in 1961.

Among the survivors are four sons, Oran William Yates of Granite City, Glen Yates of Pontiac, Mich., Glenn Yates of Los Angeles, Calif., and Alton Yates, Ft. Meade, Md. Two daughters, Mrs. William (Opal) Tompkins and Mrs. Justin (Olivia) Russell, both of Granite City; three brothers, Joe and Charles Alton, Allerton, and of Granite City, and William Alton of St. Louis; two sisters, Mrs. Gertrude Woods of Orlando, Fla., and Mrs. Dola Kimball of St. Louis; several grandchildren and great-grandchildren.

Funeral arrangements are given in today's obituary column.

CONSERVATION PROJECT FOR GIRL SCOUTS

The neighborhood service team of Neighborhood Three Girl Scout leaders met Monday morning at the home of Mrs. Doris Stotz, 2571 Hodges Avenue.

Mrs. Mary Lockhart, Neighborhood chairman, introduced her officers for the coming year: secretary, Velma Collins; school organizer, Mrs. Vivian Davis; treasurer, Mrs. Maxine Lewis; website, Mrs. Leeve Throne, Niedringhaus; Brownie consultants, Mrs. Doris Stotz, Marshall and Webster; and Mrs. Mary Fynzko, Niedringhaus.

Junior consultants, Mrs. Jo Ann Jarrett for Marshall and Sacred Heart, Mrs. Olivia and Mrs. Virginia Marlette for Webster.

Mrs. Louise Smith will be consultant for all Cadette troops. Miss Helen Canada, who is district advisor for district four and is on the staff at the River Bluff Council office in Elmhurst, will serve as consultant to senior troops.

Mrs. Lockhart announced that a district wide conservation program will begin at Camp Lakata March 30. Volunteers are asked to plan 2000 trees. Girl scouts of any age level may participate. Troops interested are to call their consultants.

Refreshments were served to the members by Mrs. Stotz.

The next meeting will be at the home of Mrs. Lockhart, 2548 Cleveland Blvd., April 22.

Junior Girl Scout Troop 704, sponsored by the West PTA, met at the school Monday afternoon with the leader, Mrs. Mae Lee, assisted by Mrs. Elizabeth Griffin.

Mrs. Lee took roll and called collected cookie sale funds and reservations for Junior Fun Day to be held at Camp Lakata April 20.

Prizes were awarded for the best voting posters. First prize went to Vicki Belling, second to Debbie Bird, third to Cheryl Woodruff. The posters will be displayed in various businesses in the near future.

The troop will meet at Miss Alyce's School of Dance Friday evening to learn the work of dance classes. Work continued on several other badges, and songs were sung.

The meeting closed with singing of "Taps" and repeating of the Pledge of Allegiance.

Attendance were Debbie Bird, Brenda Belling, Mrs. Kay Chapline, Denise Dickerson, Pam and Sharon Emring, Corral Griffin, Patty Harrington, Sandy Keek, Karyl Lee, Vickie Pulley, Theresa Rushing, Vicki Welty, Vicki Woodruff and Patty York.

CADETTE PLAN DINNER

Cadette Girl Scout Troop 1174 met Monday evening at the home of the leader, Mrs. E. L. Johnson, 2409 East Madison street, who was assisted by Mrs. Pam Johnson.

A discussion was held on cookie sales, the work was completed on "humble pie" badges.

The troop worked on a calendar of events to be used until the end of the school year.

A committee of mothers assisted the members on plans for the annual "humble pie" cookout meal to be held May 27.

Mothers on the committee were Mrs. Jerry Clay, Pat Emring and Mrs. Lois Chapline.

Refreshments were served by Mrs. Johnson to Ruth Bird,

Late Start for Steel Contract Talks Predicted

Steel labor negotiations this year will get off to a late start, and early on, because people have to go to Conrad Corp., executive vice president of personnel services of United States Steel Corp., said recently in Pittsburgh.

Cooper, who is chairman of the four-man team representing the company, based in the United States Steelworkers of America, said in a speech before the Printing Industry Association of Western Pennsylvania that the April starting time announced a few weeks ago applies only to individual plant and company negotiations on issues.

These, he said, are "a new, and we hope, constructive addition to our procedures," which hopefully will resolve a number of local issues.

"But this April start should not be misconstrued as an early start of steel negotiations in the traditional sense," he warned. "The first real negotiations will take place in the plant-by-plant discussions of local issues and the individual company discussions of contract matters, the stage will not be set for a general contract agreement until the latter part of June, only some five or six weeks before Aug. 1—the earliest permissible termination date

of the current labor agreement.

By way of comparison, the 1962 and 1965 negotiations started four months before contract expiration dates, and the 1963 negotiations began seven months in advance, he pointed out.

Quad-City householders, business firms or non-profit agencies willing to employ girls and boys between the ages of 16 and 21 years are asked to contact the Neighborhood Service Center at 145 Madison avenue, Madison, or call 451-6242.

Employers are being sought for all types of summer jobs or immediate employment. Mrs. Ruby Williams, acting center supervisor said today. The job placement program, now in operation at the EOC center, is not restricted to youth of low income families, she pointed out.

Prospective employers may register at the Madison avenue headquarters. Mrs. Williams

said many youths already are enrolled for after school and daytime jobs, including yard work, basement cleaning, babysitting and household chores. Either temporary or permanent work is being sought, she said.

Any college-age high school or vocational student within the age group may register at the center for immediate or summer employment. Each of the young employees is screened by center personnel and acquainted with the demands of the specific job he is to undertake before assignment, Mrs. Williams said.

Arrangements are given in today's obituary column.

Health Services Meeting
At Friday

Arthur Reesman, chairman of the Tri-Cities Area United Fund, Inc., is announcing a meeting on Friday at 4:30 p.m. in the United Fund meeting room for all members of the Health Services Fund Review Board.

The meeting is being called to consider several requests for assistance from the Health Services Fund.

Daniel Houston, 74

Funeral services will be held tomorrow for Daniel Houston, 74, 1000 North Broad street, Fremont, Neb., a retired ITR superintendent and former long-time local resident, who died Sunday at Methodist Hospital, Omaha, Neb.

Arrangements are given in today's obituary column.

Jacobsmeier's Tavern
Sold to Von Dee Cruse

Jacobsmeier's tavern, 2401 Edwards street, has been sold to Von Dee Cruse of Granite City by Oliver "Ollie" Jacobsmeier, it was announced Wednesday.

Cruse, who is the sole owner, will begin operating the tavern on Monday. Jacobsmeier, who has operated the tavern a total of 34 years, is undecided as to his future. He will continue to reside in living quarters over the tavern.

The establishment features a large variety of items. The name will remain the same.

Cruse has been employed as administrative officer in the court house in Edwardsville. He formerly served as Granite City township tax assessor and was an unsuccessful candidate for mayor three years ago.

GC Redistricting
Committee Needs
Several Answers

Detailed interpretation of state laws governing redistricting of a municipality is being sought by Granite City council members planning to reduce the city's present eight wards to seven before the 1968 city election.

City Atty. Allen was called upon during Monday night's council session to get the answers from the attorney general and the Illinois Municipal League to aid the council's Special Redistricting committee.

Chairman Rutledge said the information should be obtained as quickly as possible so the committee can complete its work with answers to major problems.

Litter Data Available
It has been noted that state laws are quite detailed on adding wards to a municipality.

but there is little if anything on cutting back.

With 16 aldermen on the present 16-member council living south of Nauvoo east and north, there is a possibility that three and even four aldermen could be in the same ward.

"What do we do?" Alderman Boyd asked. "Do we draw straws to determine who is to remain as an alderman or do we go on with 17 or 18 aldermen? That would be the case, also, of a new ward being created where none of the present aldermen lives."

Alderman said that since he has specific questions, he will proceed immediately toward getting the information from the attorney general. Several aldermen commented that once an alderman is elected, he can complete his term and that the council should end up with one or more aldermen.

None commented that he could find no state law requiring a city to reduce its number of wards. "But we do have a moral obligation to cut back to seven wards."

Sunday Against Firm
City Atty. Allen also was given a task by the Sewage Treatment Plant to begin taking legal steps against Jenkinson-Wright Corp. for reported continuing use of sewer to dump waste creosote.

"Allen's letter to the firm's local office and headquarters office of March 14, advising the company to cease using a conveyor belt at \$460, which has not been repaid by the company, and he estimated the most recent damage to be 'much more severe.'

The city can take the matter to court and can also shut off the sewer connection to the plant, Moerlein pointed out, adding, "Nothing has been done in over a year, even though the plant has had its own engineering survey and plans its own treatment system."

He noted that to dump creosote into a sewer line is a violation of the city ordinance and also the state pollution laws. Alderman added that if the plant continues to dump into the river, the city would be liable to a fine assessed by the state.

More Men at Plant
Moerlein caused reference to his committee of a request by the treatment plant superintendent for two additional men to serve as operators in the control room of the filter machinery. It also is recommended that William Jenkins be assigned the duty of permanent laboratory assistant with the pay of an operator.

Allen said he will give permission for purchase of a special trailer to haul away from the treatment plant, which is on the Army Depot grounds. The trailer with hydraulic mechanism is to be purchased from the Transportation Equipment Co. at a cost of \$1598. The only other bid was \$1840 from Southwest Truck Body Co.

Fund Transfer

In miscellaneous business, the council approves a \$1000 loan for transfer of \$903 from the state tax fund to the interest and judgment fund for payment of an out-of-court settlement to Mrs. Mary Noeth.

She was hurt in a fall over a tree stump on the property in the 2900 block of Madison avenue.

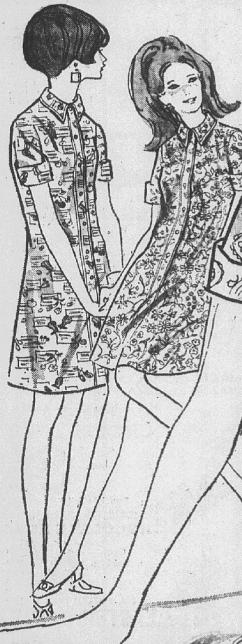

Approval was given a \$148 bid from Snelson Auto Body shop for repairs to a police car damaged in an accident. A copy of the crash report was given City Atty. Allen to obtain settlement from the other party involved. Other bids were \$150 by Andy X. Johnny's Auto shop and \$177 from Bill's Auto Body shop.

An ordinance was adopted setting the pay of the assistant director of civil defense at \$100 per month, with the amount to be transferred from the civil defense account from a contingent fund for the remainder of the fiscal year. The post now is held by David John, who was appointed last Sept. 1.

Other Plans to be Made

Full Shutdown of GC Steel Co. for City's Drainage Line Would Cost \$3,000,000

A meeting to avoid a \$3,000,000 expense for Granite City Steel Co. is being arranged for city and steel mill officials concerned with installation of a storm water drainage line at 24th street and Washington avenue.

Under present plans, the steel firm would have to shut down its entire operation, including the blast furnace plant, for installation of the drainage line at a point where the firm has a 5-inch water line to supply its reservoir for company operations. In a letter to the council, it was stressed that existing wells and reservoir supplies could not fill the needs during the shutdown period. Estimated cost to shut down operations and restart them was set at \$3,000,000.

Mayor Partney was asked to have his secretary arrange a meeting of city and steel mill officials to discuss the problem of revamping plans for the storm water line. Alderman Bartosiak, chairman of the Special Sewer committee, estimated it would cost the city an added \$12,000 to avoid the situation with a pump arrangement.

The steel mill has the 54-inch water line from the Circle Rock's canal mouth of the looks across town and along the 24th street parkway to its reservoir at 21st street and Monroe street to meet its water needs.

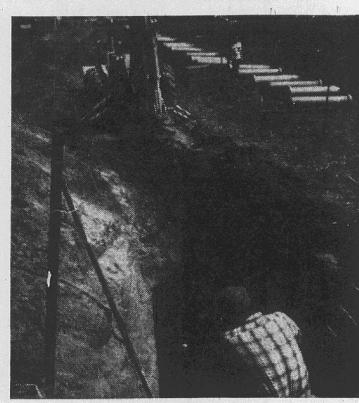

Board Opening April 15

For the estimated \$3,000,000 storm water drainage program are to be opened April 15, instead of April 1 as originally planned. Despite protests from Bartosiak, the council voted to extend the bid period for contractors more time for figuring.

The extension motion was made by Alderman Johnstone and it was voted the added two weeks, the bidders will be able to study the project more closely and "to figure more closely that might result from savings instead of a blanket unit price to cover all costs that might come from a rush bid."

While several aldermen said they had heard from contractors that the bid was too high, Bartosiak said the committee had been advised there was ample time by the April 1 deadline.

He pointed out that the federal Housing and Urban Development agency that has

CONSTRUCTION UNDER WAY on the 12-inch sanitary sewer line for a system that will serve the North Granite area. The excavation is at the trunk line manhole just west of the 2500 block of Circle drive. Work on the project, which will include other lines in West Granite and in the Nameoki area, was started this week by General Contracting Co. on a \$19,204 bid.

Given the city a \$1,500,000 matching grant has arrangement for a representative to be taken in January, costing the city \$45,000 that could have been levied for the 1967 tax year.

"We're going to have a real problem and might find ourselves running into a snag," the chairman added.

County Clerk Eulalia Hotz advised the council after receiving the letter that she had not yet obtained all easements for the drainage and distribution lines. The lines are to cross Nameoki area, where a widening-improvement project is under way. The lines are to cross at Victory drive at Edwardsville.

The irrigation system is to serve most of the older sections of the city where there presently are combined sanitary-storm water sewers.

The city's tax rate for the 1967 collection year has not been determined, awaiting further confirmation.

Reporting on the sanitary sewer project, which was started this week in North Granite, Alderman Bartosiak said the contractor has completed the main line and has been pulled up and moved by vandals, delaying the work. The contractor was advised to call the police in the event of any further vandalism.

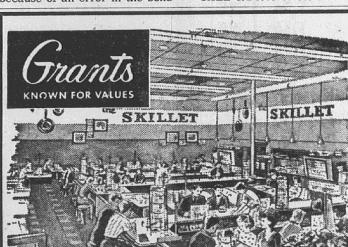

Bartosiak added that engineering for an additional sanitary sewer line along Rock road will cost \$144 and the cost of the line has been estimated at \$300.

The city is financing its share of the sanitary sewer project with a \$150,000 revenue bond issue and the drainage project with a \$1,855,000 general obligation bond issue.

\$45,000 Tax Loss

Rutledge pointed out the drainage bond issue should have been for \$1,900,000, but because of an error in the bond

Commendation Medal to Army Specialist Ahlers

The Army Commendation Medal has been awarded to Specialist-four Charles H. Ahlers, son of Mr. and Mrs. Charles M. Ahlers, 4105 Maryville road, a graduate of St. James Trade School, Springfield, Ill., who worked at the McDonnell-Douglas Corp. for entering and discharging in April.

He was cited for exceptionally meritorious service in Vietnam from October 1966 to September 1967 while with the 25th Infantry Division. He was awarded the Army Commendation Medal for outstanding professional competence and devotion to duty, consistently superior results, long and arduous hours, inspiring example, loyalty and initiative.

Police said officers have been shot for William Nickell, 48, of DeWitt, Ill., charged with discharging firearms and disorderly conduct, and William Cole, 38, and Barbara Cole, 32, both of Fairmont City, and Oral Stanley, 40, of Edwardsville, charged with disorderly conduct.

Madison authorities said they received a report at 9:25 p.m. Saturday of a fight in the parking lot of the Town Tavern. At the scene, officers were told that a shot had been fired before the group left. A description of the car was radioed to other units.

Officer Ronald Grzywacz spotted the car a short time later on Madison avenue and gave chase. He reported the car turned into a parking lot from Madison avenue and then slowed down. He said two guns were thrown from the car before it stopped on a parking lot.

Police from Venice and Granite City arrived as Grzywacz ordered the occupants to get out of the car.

Grzywacz recovered the two guns, .32 caliber and .25 caliber automatics. The .32 caliber pistol contained one spent shell and four live ones. The other gun was fully loaded.

Hearing Set for Four Arrested After Chase

Hearings have been set for yesterday at 10 a.m. for four men and a woman arrested by Madison police following a police chase in which two guns were thrown from the car occupied by the group.

License Suspension
Rescinded by Powell

Secretary of State Paul Powell today announced the Drivers License Division of his office has rescinded the suspension of the license of David E. McBride, 4116 South drive in Granite City.

The action was taken upon review of records which disclosed that evidence received from the court shows that he did not permit unlawful or fraudulent use of his license. Therefore the order of suspension is withdrawn, Powell said.

Events for Spring**

**Duplex District
Pending at Wilson
Park Estates**

Junior Leadership at Granite City high school will hold a car wash at a downtown service station on April 6, or in case of rain, on April 20. Sarah Merkert is chairman.

A camping trip is planned

for April 26-27 at Pere Marquette State Park. In the event of rain, it will be held May 17-18. Activities will include

camping, tennis, cooking and

meals out of doors, horseback

riding and trail hikes. The authorization was given

by a vote of 9-1-3 after Alvin Riedel, chairman of the Zoning and Planning committee, reported that engineering clearance had been given the sewer and drainage system.

The development, planned by the Reinhard Agency, is to be a mixed 4-4 and 2-story R-2 zone for duplex dwellings.

The developer is to maintain all interior roads, streets and sidewalks, in accordance with a resolution passed by the City Council Commission.

Alderman Bartosik opposed the 20-foot asphalt streets with in the development, saying they should be wider and should be concrete.

In planning the development, which parallels the Wabash Railroad tracks, the developer

agreed to dedication of a right-of-way for the proposed north-south roadway between 22nd Street and Adams Avenue.

In the zoning action, the council approved an amendment to rezone an R-8 area at 1737-39-41-43 State street to a business classification for construction of a warehouse and parking area for the Dempsey-Adams Co.

A resolution was approved granting a special use permit to Dr. Stanley Maer, optometrist, for a professional office with off-street parking at 1801 Garland avenue at Nameoki road.

**\$128,000 Hike Sought
For Forest Research**

Southern Illinois University support for a \$128,000 increase in forest economics research funds for the North Central Forest Experiment Station located on the Carbondale campus was voiced Tuesday in Washington.

William G. Tudor, assistant to the vice-president for student and area services, testified before the House subcommittee on appropriations for the Department of Interior and related agencies.

Tudor testified the appropriation increase in the Forest Service budget would enable scientists to do additional research on ways to boost income and employment from forestry in the Ozarks and surrounding timber-producing areas. "New sources of income and employment are greatly needed in this forested region to support a strong, productive rural economy," Tudor said at the hearing.

FHA Chapter Holds

Fashion Show, Tea

By SUZANNE BOYD

The Granite City chapter of the Future Homemakers of America held a spring fashion show and tea Wednesday evening at the school under the guidance of Mrs. Jean Maxwell.

The fashions were made by the girls themselves. There were many clever creations and color combinations.

The show was attended by many parents, interested friends and faculty members. The highlight of the evening was the presentation of Mrs. Frances Stanton, girls guidance counselor, with six foreign students who are learning the English language as a second language.

Speakers at both sessions will include:

U. S. Rep. Charles W. Clabaugh of Champaign, a member of the House committee on education; Dr. W. Frederick Elwood, chairman of the department of secondary education.

Dr. Robert E. Myrick of Kansas City, Mo., past president of the Missouri Academy of General Practice; and Dr. Herbert V. Prochow, former undersecretary of state for economic affairs.

Committee chairmen were Debbie Baker, decorations; Diane Means, tea; and Janet Powers, overall. Moderators were Kathy Orotola and Karen Johannigman. Modeling instructions were given by Suzanne Boyd. Connie Means is the club president.

Modestries, Pat Wood, Diane Merit, Linda Linda Sawyer, Debbie Baker, Tina Waggoner, Phyllis Beasley, Vicki Snider, Marsha Casey, Phyllis Boshoff, Sherine Boyd, Linda Krohne, Suzanne Schalkham and Suzanne Boyd.

For many, the poultry project is a streamlined, scientific and business-like operation. With their means, the junior poultrymen adopt production and marketing practices used by large commercial poultry producers. If they were asked, "Which came first, the chicken or the egg?" they would probably have an answer.

How do 4-H'ers get smart so fast? With the help and guidance of their local 4-H leaders, extension poultry specialists, dealers in feed, feed and equipment and hatcheries.

Their chief benefactor is Heald & Nelson Farms, Inc., sponsor of the national 4-H Poultry program. The firm annually provides six \$500 scholarships, free trips to the National 4-H Congress in Chicago, \$50 U.S. savings bonds and thousands of merit medals.

The Cooperative Extension Service, which supervises the program, says that poultry projects often lead to a career in the multi-billion dollar poultry industry.

Also, 4-H leaders point out that living on a farm is not a prerequisite for carrying a poultry project. Youngsters without production facilities can start a poultry science project in embryology, anatomy, skeleton formation or feather growth.

The county extension agent working with 4-H Clubs can supply detailed information and assistance.

Army Offers Student Nurses Financial Aid

Qualified student nurses are being offered financial assistance while completing school as well as an opportunity for appointment in the Army Nurse Corps.

The Army Corps recruiting main station, at the St. Louis Army recruiting main station, has announced.

The demand for Army nurses is increasing as communities in Vietnam, Europe and as standards of medical care improve, Maj. Lee continued.

The Army Student Nurse program offers qualified men and women student nurses in accredited three-year diploma schools and four-year baccalaureate nursing programs.

Students in diploma schools may receive a monthly salary during their third year. Students in baccalaureate programs may receive the salary during their junior and senior years and in addition, the Army will pay for tuition, books and supplies.

All students remain in their own schools to complete their nursing studies during this time, as they have no military obligation. After graduation and successful completion of the professional nurse licensing examination, they will serve as officers in the Army Nurse Corps for a period of two or three years, depending on the number of months of financial assistance which they have received.

Interested students should call SFC. Harold C. Pratte, Granite City Army recruiting station, 1340 Niedergaum Avenue.

Chickens, Eggs Add Up To Cash for 4-H Youth

How did a 16-year-old girl earn \$2000 in one year? Or an 18-year-old girl raise 19,000 turkeys? We'll tell you they will \$500 in scholarships.

Such accomplishments are not exceptional for 4-H'ers who are involved in the poultry project. They are the result of hard work, time to time for other farm chores and recreation.

Boys and girls who take 4-H seriously are rewarded with a project that satisfies them. "Learning and doing" is well worth the hours and years devoted to the project.

For many, the poultry project is a streamlined, scientific and business-like operation. Sp4 Thomas earned the award for meritorious service as a clerk-typist in the brigade's Headquarters Company.

Payroll, Sick Leave For GC Total \$45,726

A \$44,844 half-month payroll and monthly sick leave payments totaling \$882 were approved Monday night by Granite City council members.

Alderman Paul J. Rutledge, chairman of the finance committee, reported the total may result in a large increase in the city's cost for firemen's pension.

He noted the tax levy in recent years has been \$55,000, but with the prospect of a pension increase, the total could go as high as \$110,000, but most likely will be closer to \$75,000 to \$80,000.

"We're not the only city in the state facing with this, but we'll have to reach a decision in the near future," the alderman said, adding that one meeting of the Finance Committee and firemen has been held and another meeting is being arranged.

Rutledge also called for a change in the city law designating firemen and policemen as city employees. Because of separate programs for police and firemen, they are not included in the city's pension committee, he explained, and for that reason all policemen and firemen should be designated as city officers. An amendment to the ordinance making that change is to be prepared.

Council members voted to approve of the one-week bill list.

Summers is Promoted To Warrant Officer

Chester L. Summers, 21, whose parents, Mr. and Mrs. James Kilian live at 1112 Grand avenue, Madison, was appointed to the rank of warrant officer, this month while serving with the 15th Military Intelligence Battalion at Fort Bragg, N. C.

Army warrants are awarded on a competitive basis to meet the demand for qualified men to serve in intelligence positions. WO Summers is an image interpreter assigned to the battalion's Headquarters Company.

New Clerical Work Force Available to Industry

A work force of newly trained employees who have completed 4 weeks of instruction under the Manpower Development and Training Act will be available to area industries and businesses following completion of the training at the MDTA facilities in East St. Louis tomorrow, according to announcement by Malcolm A. Thompson, manager of the Illinois State Employment Service office in Granite City.

Thompson said the new trainees will graduate as clerk typists, key punch operators, stenographers and bookkeepers after 4 weeks of instruction.

Thompson said that representatives from various firms have been invited to inspect the training facility and to discuss specific needs, if

employers request such service. Arrangements also may be made for a tour of the training facilities, not only for the clerical program, but also for other courses offered, including auto mechanics, auto body repair mechanics, electrical, drafting, welding, production machine operators, sheet metal workers, hotel cooking, electric appliance servicemen, gas engine repairmen and upholsterers.

Home Still Your Castle -- Even If It's a Cabin Boat Or a Camper

(Tri-City Islands
Bar Association)

Planning a vacation or weekend excursion in your camper car or cabin boat this spring or summer?

Illinois State Bar Association publication says that your home is your castle, even if it is only a temporary one, on the road or afloat.

The 100-page booklet, entitled "Your Bill of Rights," offers discussion by attorneys of the 23 basic rights guaranteed by the Bill of Rights, the first 10 amendments to the U. S. Constitution.

One of the points made is that the constitutional protection of reasonable search and seizure applies to automobiles and to boats as well as to fixed dwellings.

The author of the chapter headed "An American Bill of Search and Seizure" states that the amendment, which has its history in the abuse of search warrants in England and in the American colonies, must be interpreted in the light of modern-day conditions. He adds:

Origin of South Vietnam Traced

(U. S. Department of State)

Will you explain when the "Republic of South Vietnam" became an independent nation?

I have just finished reading a book, "Toward Peace in Indochina," by Anthony Eden, who was present at the 1954 Geneva Conference.

He sets down the entire text of that agreement.

Nowhere in that agreement is any independent South Vietnam conceived or even mentioned.

Instead, unity and general elections, including both North and South, are set forth.

Later, in the State Department literature that they state "armed attack" as the basis for your destruction there.

Will you please explain if "armed attack" against an illegal nation is a legal basis?

R. R. R.

Deng Ms. R.:

The 1954 Geneva Accords established both South and North Vietnam as international entities with independent territories.

The Accords temporarily divided Vietnam into two zones, each to be administered by its respective authorities until the unification of the country.

Principally, they have recognized this separate and distinct status by establishing diplomatic relations with Saigon or Hanoi or both.

The provisional military government drawn down by the Accords, although not a political or territorial boundary, is an international frontier that under international law must be respected.

To this extent, the division of Vietnam is similar to that of Germany or Korea.

It is self-evident that if a state is divided by an internationally recognized demarcation line, the two parts of that state must refrain from attacks or hostile

Profitable Operation Is The Only Security For Smith Frame Plant Or Any Other Business

Quad-Cityans were pleased and relieved to learn Monday that the A. O. Smith Corporation board of directors had voted to continue operation of its Granite City plant.

The plant's future is the effort by local citizens and mayors to keep the plant in operation was played by the Chamber of Commerce and its president, Howard Kaseberg, who headed the delicate and unique discussions.

The plant is only on "probation," however. Its production and earnings must move well into the satisfactory range and stay there, or it will be closed.

With 15 other plants, the Smith firm is large enough to abandon inefficient facilities and concentrate its efforts in locations and endeavors compatible with its goals and obligations.

The few employees still not convinced that closing the plant is the right choice probably had been mentioned often in the past. But this only bears out that the plant's economic performance has been below par for much of its 13-year history. There has been long and real concern over it, deepened by its duration.

There is, perhaps, a natural tendency for a community to regard any enterprise involving a plant as a cash crop and a permanent. Now, there may be greater realization that nothing is permanent unless it stands the tests of competition and profitability.

It is simply impossible to attract the financial backing essential to any manufacturing activity unless its earnings are comparable to what can be obtained by investing the same money elsewhere.

What lies ahead? It is difficult to say. The board decision—reversing a management committee recommendation to close the plant—was not unanimous. The majority action used the phrase "at this time" and a company statement regarding the local plant Monday afternoon said it was still a serious question as to its future success.

Quad-Cityans accept at face value the conclusion that "despite these facts, the board has determined that a further success effort should be made to achieve satisfactory results."

With equally sincere efforts, the plant staff and the community will do their best to succeed, that A. O. Smith comes to regard Granite City as one of its strongest links and happiest experiences. This will require the closest cooperation and greatest possible teamwork between management, supervisory personnel and employees.

Home Building, Government Studies Might Help County Keep Pace With Regional Growth

Latest estimates by the American Statistical Association's St. Louis chapter indicate that, while gaining in population, Madison county is falling behind the average growth in the two-state metropolitan areas.

Accounting for 10.7% of the bi-state regional population at the time of the 1960 census,

acts against each other.

Thus, an attack by North Korea or by East Germany on West Germany would be illegal. Such actions are no less "aggression" or "armed attack" than the search for the automobile.

The free booklet, "Your Bill of Rights," is available on request to the Illinois State Bar Association, Springfield, Ill., 62701.

Montenegro

We would be most appreciative for any assistance which you could give us in locating His Royal Highness Prince Mihailo of Montenegro, Head of the House of Petrovich-Negosh, claimant to the throne of Montenegro.

R. J. D.

Dear Mr. D.: On the basis of an informal inquiry, we have learned that Prince Michel d'Montenegro is at 28 Place Denfert-Rochereau, Paris 14, France.

We understand that Prince Michel (or Mihailo, as his name is in Serbian) is the senior member of the Petrovich-Negosh family.

We understand also that a Prince Michel refused Mussolini's offer of the throne of Montenegro in 1946, during the world war when, as part of the Axis policy to dismember Yugoslavia, an attempt was made to re-establish Montenegro as a separate state.

We understand this because, in some books, Prince Mirko, who in turn was a son of King Nikola of Montenegro.

Furthermore, Prince Michel has a son named Prince Nikola.

Prince Michel was born in 1908.

Prince Michel's father, Prince Mirko, died in Austria after the first world war.

Do you have an industry?

It is to it: "The Diplomatic Pouch," U. S. Department of State, Washington, D. C. 20520.

FEDERAL UNEMPLOYMENT INSURANCE PAY HALTED

To the Editor:

I am writing on behalf of people who are laid off at the Granite City Army Depot. Dec. 29. We were told there had to be a cubical and all temporary workers were to be laid off by March 1.

Since we were laid off those who were laid off have been working overtime every weekend.

How can they keep women and work them overtime when most of them have husbands and families to support?

Doesn't the time our men were away fighting mean anything once they are back home? Some of them are unable to go to a factory and work.

We thought that was what the Depot was for.

50 YEARS AGO

MARCH 28, 1918

Granite City Boy Scout Troop 1 will be awarded the President's Flag for meritorious service in the second Liberty Loan campaign the Treasury Department. The flag is to be presented April 6 in ceremonies to be held at the home of Mr. and Mrs. Merle Sternberg, 2609 East 28th street. The devotional was led by Milton Harey and Marvin Tedder conducted by the Thursday Club at a meeting in Wood River of the Illinois Federation of Women's Clubs.

Scout Master M. Webb received a letter from James E. Scott, chief scout executive, expressing the appreciation of the National Boy Scout Council. The troop led Illinois in bond sales.

It will be featured in the April issue of Boys' Life and in an issue of Scouting.

Madison county now has only 10.4% of the total. The Statistical Association believes that during the past eight years, this county has expanded 11.7% to a 251,000 population while the territory of St. Louis, four Missouri counties and two Illinois counties has grown 13.8% to 2,395,000.

Many factors affect population trends, but one wonders to what extent home building and financing policies and conditions play a role. New subdivisions continue to be built in some sections of the region but are not being started in others. The cost of living, the availability and cost of homes, plus the reasons for such variations and the steps necessary to remedy them, ought to be studied and acted upon.

Governmental services and costs also deserve exploration. Leading all other states in the number of local-level government agencies, Illinois through its various court rulings unquestionably has encouraged splintering of towns and discouraged expansion of municipal boundaries in line with a community's actual growth. The resulting cost duplication and service inefficiencies may well be in the thoughts of some those who decide to reside outside Madison county.

With the recent 1.17% growth rate for St. Clair county's 6.3% gain, St. Louis' 7.6% loss or East St. Louis' 7.8% decline. But studies in the two directions mentioned might help further accelerate the population and prosperity of Madison county.

'Second Time Around' For Nixon May Be When His Hopes and Those Of The Nation Coincide

Cartoons and comments have vilified former Vice-President Richard Nixon more than any other public figure in recent memory, with the possible exception of the "other" Senator McCarthy, the late Joseph McCarthy. But Nixon, the man pictured with a wide, cocky shadow, not making how closely he shave, has moved to the position of odds-on favorite in the November sweepstakes which will choose the 36th president of the United States.

Not yet formally guaranteed the Republican nomination, Nixon nevertheless has sufficient momentum that he probably could not be denied the nomination without a disastrous split of the kind to which his party is so prone. This year, nearly all segments of the GOP seem willing to try to find a place for themselves under the same umbrella of platform planks and campaign issues.

Democrats historically have been better able than Republicans to paper over ideological differences and individual rivalry, but in 1968 a solid front seems impossible no matter how hard they try.

If Senator Robert Kennedy and Senator Eugene McCarthy join forces and one manages an upset to wrest the nomination from the incumbent, it is hard to visualize much unity within the shattered remains of the party, which would have repudiated its own record and standard-bearer. If the "peace candidates" fail, their bitterness toward President Johnson will have been so visible as to it cannot help but affect many voters.

Is the prospect of a Nixon victory as dismal as some picture it? Their lamentations are contradicted by at least two points: He offers a change in approach at a time a clear majority of Americans regards a change as helpful. And his views, as a statesman considered objectively, reflect a higher degree of responsibility and clarity than those voiced by most presidential aspirants of recent times.

What is best for the nation is more important than the hopes of any candidate, but sometimes they coincide, even when delayed. Churchill, now ranked by historians as the No. 1 human of the 1900-1950 period in his favorable impact on civilization, was scorned as his country's biggest loser throughout most of his long life.

In 1960, Nixon lost the presidency in a race so close that each of the two major candidates received more than 49%, but less than 50% of the votes.

Studying all that has occurred since then, one might wonder if he had won. They may well get a chance to find out beginning with the inauguration next January.

Program on Modern Math for Parents Set

Parents who have become "PTA dropouts" because of their failure to understand their children's "Modern Math" homework assignments will find new hope in a new series on new Ketc, Channel 5, telecourse scheduled to begin on May 1.

"Modern Math for Parents" is the title of a new ten-week series of half-hour telecasts on Channel 5, 8 p.m., Wednesdays, May 1-July 3.

Hosts for the ETV series is Mrs. Madeline L. Kennedy, of the mathematics department of the Massachusetts Institute of Technology, who will clarify the new vocabulary of mathematics and develop an understanding of basic structures of arithmetic. Objective of the telecourse is to provide parents sufficient information and understanding so that they may better assist their children's study and cultivate in their children an enthusiasm for mathematics.

Parents may enroll in the 10-week telecourse through the Office of the Registrar, Ketc, 6996 Millbrook Blvd., St. Louis, 63130. Enrollment fee for Channel 5 members and non-members is \$3. The enrollment fees include the cost of a viewer's guide to accompany the telecourse which also includes a dictionary of modern math terminology and an extensive bibliography for further reading in the field.

Two Cars Damaged

A car driven by Albert E. Heeger, Union, Mo., was damaged in the rear, and a van driven by John E. Dowdy, 2814 Pershing Avenue, was damaged in the front, in a accident at Sixth Street and Madison Street, Madison. Madison police said Heeger stopped for the traffic signal, placed his car in neutral, and reached down to pick up something off the floor. He said his car slipped into reverse, striking the vehicle behind him.

\$500 LUCKY JACK TOPS WINNER, Mrs. Joseph Fisher, receiving the \$500 prize Monday afternoon from Walker Milton, sales manager of the Pepsi Cola Bottling Co., in her home, 1800 Courtenay Blvd.

Council Rehires Auditor on Low Bid of \$2495

A recommendation by the Granite City council's Finance Committee for another firm to conduct the city's annual audits was rejected by the council Monday night.

Finance Committee Chairman Rutledge said his committee recommended the second low bid of \$2500 to \$3000 submitted by the firm of Lybrand, Ross Bros. & Berthling, Houston. However, the council rejected the proposal 10-to-4 and voted to rehire Jack Huggins, accountant, with all phases of the audit to be specified. Huggins' bid was \$2495.

Rutledge said that Huggins had been doing the audit for 17 years, and it won't until after the death of Comptroller John. Two years ago there was any recommendation made for changing the city's antiquated bookkeeping system, as suggested by City Treasurer E. R. "Pat" Rich.

When Rutledge mentioned that past audits had been inadequate, Aldermen Alderman suggested an exact outline of what is needed and wanted prepared by the Finance Committee and the treasurer and comptroller.

The vote to rehire Huggins was 10-to-4, with Dallas, Bartosik, Boyd, Poulos, Green, Basarich, Nonn, Parmley, Robert-

\$500 Pop Top Award

Mrs. Joseph Fisher, mother of three small children, was a \$500 cash winner of the Pepsi Cola Lucky Jack Tops contest this week. She is the first winner of a major cash prize in the area which is being sponsored by the Alton Bottler.

She received the award from Walker Milton, sales manager of the Pepsi Cola Bottling Co.

Mrs. Fisher and her husband, who is employed at Shell Oil Refinery, reside with their family at 1800 Courtenay Blvd. She said they are delighted with the award and will plan for the family to make a visit in May to her home in New York for the first time in more than five years.

Milton announced anyone may be a winner by removing the cork insert from the bottle cap which will indicate the amount of prize money. All winning caps must be redeemed by Aug. 31 of this year. Madison County Savings and Loan Association, in Belmore Village shopping center is the local redemption center.

son and Johnson voting "aye." The "no" votes were by Moerlien, Whitmer, Rutledge and Fry. Aldermen Jarrett and Dawes were absent.

If you're giving him a watch for graduation, make sure it doesn't tick

Make sure it ticks.
Then it won't be a watch at all. It'll be an Accutron® time-piece.

Bulova left out of Accutron the parts that make a watch run fast or slow.

The Accutron timepiece has no balance wheel, no mainspring, no spring. (Therefore no tick!) Instead it has a tiny, electronically-powered tuning fork. (That's what does the ticking.)

The tuning fork splits a second into 360 equal parts. The best a ticking watch can do is divide a second into 5 or 10 parts.

Accutron time is so nearly perfect that Bulova guarantees monthly accuracy to within 60 seconds. It's a particularly good gift for the graduate who has everything except the right time of day.

Caring for Knits

When fabric and garment allow, washing knits is usually more effective than dry cleaning, particularly for removing perspiration.

You should pre-treat soiled areas such as necklines and grease spots, with soap or detergent.

Avoid excessive rubbing. To insure a smoother finish to the right side, turn the garment inside out before washing. A fabric softener in the last rinse helps prevent static electricity in addition to restoring a soft hand to the fabric.

Before washing a woolen

garment, trace its shape on paper so that you will have a pattern to help reblocking.

To reduce shrinkage, wool should be washed in a short period of time with the least amount of handling or rubbing possible. Use water that is warm to the touch, not hot. Because wool dries faster and more thoroughly than cool or cold water.

You can use an all-purpose laundry detergent for wool. Soak the garment for five to 10 minutes. Then run it over without taking it out of the water and let soak for a few minutes more. If the garment is heavily soiled, gently squeeze the suds through the fabric.

Drain the soiled water from the garment and gently squeeze the suds out. Rinse the garment repeatedly until the rinse water is clear, using the same temperature water as used for washing.

Loosely roll the wet garment in a bath towel to remove excess water. Pin and block it gently to fit the pattern you traced on paper. Dry woolens away from heat or sunlight.

The general washing directions for wool also apply to cotton and linen knits, except that stronger water and hotter water should be used.

Washing instructions for cotton apply to most synthetic garments, except that synthetics may be hung to dry on well-shaped, plastic hangers.

Orion Sayelle, however, tends to stretch when washed and should be hung to dry. If garments of this fabric are washed in an automatic washer, they should be dried in a dryer for the best self-blocking results.

Name Correction

Mrs. Lloyd (Alline) Patter-

son of Venice is one of three surviving daughters of Willis R. Blades, 80, of 120 Hampden street, Venice, for whom funeral services were held Monday afternoon. The former's name was incorrectly listed.
